

[to the tune of "Locomotion"]

Verse 1: Everybody's doin' a brand new dance now

C'mon baby do the UBT now

I know you'll get to like it if you give it a chance now

C'mon baby do the UBT now

A UBT is better than the status quo

Making change together is the way to go

So come on, come on do the UBT now with me

You gotta use that white board!

Come on all staff

Ask Why, then How

If you really want to problem solve ... (Wo-o-oh)

Verse 2: Get your group together with some training first, now

C'mon baby, do the UBT now

Choose a workplace issue, don't start with the worst, now

C'mon baby, do the UBT now

Workers know the problems

Form a UBT

It's easier than learnin' your ABCs

So Come on, come on

Do the UBT now with me
